WHEN TO USE IT

CP&P Form 9-3, Rapid Human Trafficking Assessment (RHTA), is used by the SCR Screener when screening for potential human trafficking cases. Specifically, the RHTA is used if the reporter answers yes to the human trafficking mandated question or to four or more "red flags" are mentioned by the caller.

HOW TO USE IT

Once the SCR Screener identifies the caller as either a self-identifying victim or a third party reporter, the SCR Screener asks the caller Questions 1-11 under the appropriate column, checking "yes" or "no" according to the caller's responses.
